Office of the Commissioner of Police,

Dated the 26th March 1928.

From

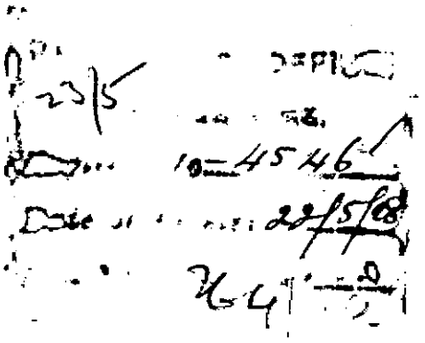
To

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.



Through

The President,
Municipal Commission,
Civil & Military Station,
Bangalore.

Sir,

The periods of municipal service rendered by the marginally noted* officials as noted against their names have been included in their respective leave accounts and the local Audit staff who have recently audited these accounts point out that under Fundamental Rule 130, the previous service of the officials in the municipality will not count either for leave or pension. Fundamental Rule 130 lays down, however, that a local Government may allow previous service in such cases to count for leave and pension on such terms as it thinks fit. The cases of the officials noted in the margin were reported for your orders in this office No.3650 dated 13-10-23 but the point at issue has not been settled as yet. The officials herein named have been merged in the Police establishment, 1 & 2 from 21-11-04 and 1-11-1906 respectively and 3 to 11 since 1-4-23, the date of the transfer of the Hackney Carriage establishment to Police and it is necessary that the question of their previous service i.e. whether they will count for leave and pension should be settled. I therefore request that necessary orders may kindly be passed on the point.

DS.26-3. No. G. 338/28 Dt 18-5-28

Forwarded in continuation of this office endorsement No.G.876/168-19 dated 25th October 1923. In the case of Sub-Inspectors B. Narasimhiah and L. Guru Rao whose names have been newly included in this letter there is nothing to show that their transfers were effected with the sanction of the Local Government, under the note to Art.801 of the Civil Service Regulations, permitting them to count their Municipal service along with the Government service for leave and pension. In the circumstances, I am of opinion that they took up the Police service for their own benefit and thus gave up their Municipal service. The Municipal Commission could not, therefore, be reasonably asked to pay a share of their pension in respect of their Municipal service. The cases of the others in the letter of the Commissioner of Police are different, as they were transferred along with the Hackney Carriage & Motor Vehicles Departments from the Municipality to Government and the Municipality are paying a fixed contribution towards their leave and pension in accordance with para 7 of your letter No.8140/264-1920 dated 19th October 1922 to the Government of India and thus a continuity of their service is maintained. All that is necessary is a formal sanction of the Hon'ble the Resident under rule 130 of the Fundamental Rules to enable them to count their service under the Municipal Commission for leave and pension.

2. In the proposition statement for the revision of the Hackney Carriage establishment sanctioned by the Government of India, Foreign & Political Department, in their memo No. 1105/1213E, dated 13-4-23, the Sergeant is allowed to draw the duty allowance "if a British soldier". In the case of the other Sergeants whose pay was sanctioned in Government of India, Foreign & Political Department, Telegram No.472 Est.A, dated 18-2-21, the duty allowance is admissible if the Sergeants are "British ex-soldiers". The same condition, i.e., of being a British ex-soldier is applied in the case of the additional Sergeant sanctioned in Government of India, Foreign & Political memo No.3039-718 Est, dated 10-10-22.

The Audit Officer evidently differentiates between "a British ex-soldier" & "if a British soldier", & thinks that the latter phrase means "if he is a British soldier", i.e., the individual should be a reservist or a pensioner and not merely one who had served in the Army. This seems however to be a distinction without a difference as, obviously, there is no particular reason why the Hackney Police Sergeant should be a reservist or pensioner while the other Police Sergeants need be only ex-soldiers. The intention appears to be in both cases that the duty allowance should be given to men who have undergone the requisite Military training & discipline and would therefore be more efficient Sergeants than men without that experience. I think therefore that no special sanction is required to permit Mr. Brown to draw the duty allowance, which, as pointed out by the Commissioner of Police, he has been allowed

been allowed to draw without question since 1923. As however the Audit Officer does not agree, the case may be referred to the Government of India for a ruling.

3. In the letter of the Commissioner there is a slight error. The Audit Officer's decision is-

> "If Mr. Brown <u>is</u> a British soldier, either a reservist or a pensioner, he may draw the allowance. If not, sanction of competent authority may be obtained".

In communicating this to the Commissioner, I added that the above condition did not appear to be satisfied in the case of Mr. Brown.

Sir,

Sergeant B.Brown of the Hackney Carriage Department has been drawing the duty allowance of Rs. 25/- per mensem, attached to his post since 1-5-1923. In the proposition statement for the revision of the Hackney Carriage Establishment sanctioned by the Government of India in their memo No. 1105/1213-E dated 13-4-1923, mention is made that the Sergeant will draw this duty allowance, if a British soldier - The Audit officer, Bangalore has now enquired through the Pay & Accounts Officer whether the condition of the Sergeant being a British soldier was satisfied in the case of Mr. Brown, and in reply was told that Sergeant Brown served in the Oxford and Bucks Light Infantry and later in the Supply and Transport Corps and it satisfied the requirements -

To this, the Audit Officer replied as follows:-

"If Mr. Brown is a British soldier either a reservist or a pensioner, he may draw the allowance - This condition does not appear to be satisfied and the sanction of the Government of India may be obtained for the grant of the allowance".

In this connection, I have to point out that none of the Sergeants in the Station Police are pensioners or Reservists and

and yet they all draw the allowance and all have exactly the same claim as Sergeant Brown i.e. that they have served in British Units - Sergeant Brown's military service is as follows:-

	Yrs.	M.	D.
Oxford & Bucks Light Infantry	2	9	1
Supply & Transport Corps	-	3	23.

It is not therefore understood why the objection is raised in -- Sergeant Brown's case.

It may be pointed out that the contribution paid by the Municipal Commission covers only the period commencing from the date of the transfer of the establishment from the Municipality to the Government. The Municipal services of Sub-Inspectors, N. Narasimiah and L.
